

DetectObject::image_cb

```
graph LR; A[DetectObject::image_cb] --> B[DetectObject::detect_object]
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box is shaded gray and contains the text 'DetectObject::image_cb'. The right box is white and contains the text 'DetectObject::detect_object' on two lines. A dark blue arrow points from the right side of the gray box to the left side of the white box.
